KANATA DRAGONS ATHLETIC CLUB

ABOUT THE KANATA DRAGONS

The Kanata Dragons Athletic Club is a Not-For-Profit organization that offers children, aged 3 to 12 the opportunity to play recreational sports in Kanata.

The focus of the Kanata Dragons programs is fitness, fun and participation rather than intensive skill development and competition. The emphasis of the Club will be to provide sport that creates enjoyment for the participants and their parents while taking advantage of the fantastic new facilities within the Richcraft Recreation Complex in Kanata.

The Dragons started its programs in 2013 when it offered a soccer program for over 500 children. Other sports will be offered in the Fall of 2014 when we have access to the gymnasium at the Richcraft Recreation Complex. We also plan to offer family orientated sports events throughout the year such as orienteering and family skating.

A full sized artificial turf soccer field will open at the complex in April 2014 and some of our soccer games will be scheduled on the field. We also hope to offer other turf sports on the field such as ultimate and touch football.
